Parents, we understand not all children are the same. Fill in the 2 empty sections with tasks that would more specifically encourage your child to improve his or her behavior/routine. Some suggested topics are: "I show courtesy to my sibling.", "I went to bed without a fuss.", "I took care of my pet(s).", "I practiced my musical instrument."

**STARS WILL BE AWARDED USING THE FOLLOWING SCALE:**

★ ALL 9 TASKS COMPLETED FOR THE WEEK = GOLD STAR ☆ 6-8 TASKS COMPLETED FOR THE WEEK = SILVER STAR

(Instructors may decide to give a blue star to students for fewer tasks completed when they are first learning to use this sheet, but the student will be encouraged to work harder in the future and will only be rewarded when they reach the silver or gold levels. Please let a staff member know if there are any other ways in which we can help encourage your child.)
